

**TOUGH
ON HEEL
WARTS**

Fighting heel warts has always meant a tradeoff between effectiveness and impact to the soil and crops.

Not anymore.

Hoof-Zink E-Z Liquid is proven more powerful than copper sulfate, but without harming the land. In fact, the zinc in Hoof-Zink actually helps plants grow. It's the solution you can finally feel good about using all the time.

**GENTLE
ON YOUR
LAND**

HOOF-ZINK®
E-Z LIQUID

Hit the warts, help the soil

POWERFUL - GENTLE - EASY
